**PETITION TO WITHDRAW
HOLDING OF ABANDONMENT UNDER 37 C.F.R. §1.181**

The above-referenced application was deemed abandoned on January 8, 2007, for applicants' failure to properly respond to the Decision on Submission dated August 31, 2006. The Decision on Submission was never received by the applicants' attorney and, pursuant to 37 C.F.R. § 1.181(a), this Petition seeks a withdrawal of the holding of abandonment and, pursuant to MPEP 711.03(c), states the following in support thereof:

1. The communication at issue, namely the Decision on Submission dated August 31, 2006, was not received by the undersigned.
2. A search of the file jacket and docket records indicates that the communication at issue, namely the Decision on Submission dated August 31, 2006, was not received.
3. A copy of the docket record where the nonreceived communication at issue, namely the Decision on Submission dated August 31, 2006, would have been entered had it been received and docketed is attached to this Petition. Since a one month period for reply was set in the nonreceived communication, a copy of the docket report showing all replies docketed for a

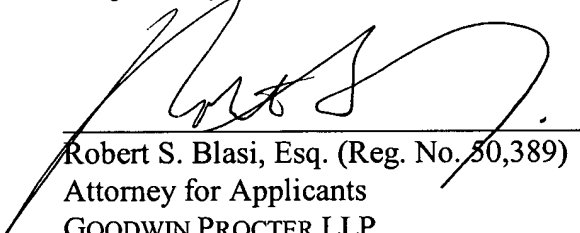

date one month from the mail date of the nonreceived Office action (i.e., September 30, 2006, one month after the Decision date of August 31, 2006) is submitted as documentary proof of nonreceipt of the communication.

4. We believe no fees are due for entry of this Petition. However, we hereby authorize charges to Deposit Account No. 07-1700 for any required fees or surcharges.

5. In the interest of expediting the processing of this application, we have enclosed six declarations believed to satisfy 37 C.F.R. §§ 1.497(a) and (b) as requested in the Decision on Submission dated August 31, 2006.

The Patent Office is invited to contact the undersigned with any questions pertaining to this Petition.

Respectfully submitted,
